To our Donors, Friends and Clients,

We are grateful to the people who have supported our mission throughout this year. Our supporters have been generous with their time, in-kind donations and monetary donations.

We are building our knowledge and practices on topics relevant to providing the best psychosocial care of hospitalized children and their families. Topics include: compassion training, child friendly communication, effective pain management, stress management and many more. We are guided by the needs of children and families and the healthcare providers who serve them.

We continue to sustain our commitment to sound governance. We updated and implemented policies and procedures to ensure the wise stewardship of the resources our donors have entrusted to us.

Your generosity allows us to continue our work to support ill children and their families in Austin and around the world.

There are many different ways to say "thank you." And while "thank you," does not seem adequate, may I assure you our gratitude is immeasurable and sincere.

*The many ways of saying*
